Welcome from the NZTWSA President

I wish all skiers, officials, supporters and sponsors a warm welcome to the Waikato and the 2024 NZTWSA National Championships.

The National Championships are the pinnacle of the season and give us the opportunity to pit ourselves against our peers from throughout the country and to also renew our camaraderie with all fellow skiers and supporters in our close knit skiing community.

The Piarere Water Ski Club is undoubtedly one of our best ski sites in the country and we thank them for making this facility available and we thank the Waikato Region team for organising and running this event. I encourage all skiers to take the opportunity to thank the people that make this great event possible.

I wish to acknowledge and thank all our sponsors for their continued support over the past year and for this event. We would be lost without your generous assistance.

Finally, I encourage all skiers to embrace the values of our sport, ski your very best, be proud that you have got here, support your mates and have fun.

Regards
Peter Engel
NZTWSA President

Welcome from the Waikato and BOP regions

On behalf of the Waikato and Bay of Plenty regions, I would like to extend a warm welcome to all competitors, officials and supporters to the 2024 Nautique NZ National Water Ski Championships at Piarere.

Welcome back to those that have been to Piarere in the past and a special welcome to the large number of first time National skiers, our younger divisions are seeing record numbers and many are competing in multiple disciplines.

As National's is the end of March I'm picking the mornings may be a little cooler, the good news is we should see nice calm sunny days for you all to set new records on.

Thanks are extended to the Piarere Water Ski Club for sharing their facilities with us, and our hard working team for their efforts to ensure that these Nationals are successful and enjoyed by all. Our sincere thanks are extended to our sponsors who are the backbone and ensure the financial success of this event.

Please support our sponsors here in the Waikato and nationally. Enjoy your time in the Waikato, take some time to visit the local sites.

Many thanks
Nigel Wilson
WTWSA President

Official Tournament Boat - NAUTIQUE 200

Nautique and Nautique NZ have had a mutually beneficial relationship with NZTWSA for many years and once again, Nautique NZ is proud to be a major sponsor for the 2024 Water ski Nationals.

At Nautique, we are driven to innovate and our attention to detail has never been greater. New technology, comfort, convenience, function and style have been integrated into every one of our world-class Nautique boats with features to enhance the unmatched experience we continue to deliver. When your life on the water is in a Nautique, you expect nothing less.

The tournament will be towed by the record breaking Ski Nautique 200 with the 6.2L Direct Injection 450hp engine, and we believe that it will assist you in skiing to your potential and hopefully lead to many personal bests being achieved across all three disciplines during this tournament.

The renowned Piarere ski club site is one of the best ski sites in the country, the competitor numbers are substantially up on previous years, and if the weather gods are kind to us, these Nationals will be the best yet.

I look forward to meeting you all during the course of the tournament and if you have any queries or requirements, please come and see me on site.

Mike Wortman
